Phone call with Marty Holzschuh 510-719-9761. I provided a status update on case. No contamination detected during soil sampling. Case appears to be ready for closure. Potentially may be a delay in completing closure if no funds provided for regulatory oversight.

Phone call with Alejandro Alamilla. I provide a status update on case. In order to move the case through closure process, will require funds for regulatory oversight. Mr. Alamilla did not recall seeing the May 16 request for funds letter and does have a fax machine; therefore, I will mail a copy of my previous request for funds letter to 414 Beverly Street.
