Hi Barbara

I would like to inform you that we had some delays receiving analytical data for the former Ambassador Laundry Site (Fuel Leak Case No. RO # 0002973) and had some set backs with our graphics department. This message is to request an extension in the deadline to submit the Post Remediation Investigation report for the former Ambassador Laundry Site. The report would be uploaded onto the ACEH Site by June 1, 2009. Please confirm the deadline extension is granted.

I appreciate your understanding.

Thanks,

Alvaro
