Rebekah ,

Yes that should have said First Half. Your request for an extension for the 1st Half Monitoring Report until July 26th is approved.

Regards,
Barb Jakub

Subject: RO0002974 Second Quarter Groundwater Monitoring Report

Barb:

I hope this email finds you well.

We have a bit of confusion regarding the due date for the Semi-Annual Monitoring Report for this site. Your Correspondence dated February 8th had a June 20th due date for the 1st Quarter 2013 and a December 20th due date for the 2nd Quarter. We just completed sampling last week (2nd Quarter sampling), but in re-reading the correspondence we think that perhaps 1st Quarter and 2nd Quarter should have read 1st Half and 2nd Half (as in semi-annual). If this is the case, I need to get an extension for submission of the Semi-Annual Monitoring Report (1st Half) to July 26th. Is this acceptable?
