Subject: Red Hanger Kleeners RO#0002981 - Site Characterization report - request for extension

Ms. Jakub -

On behalf of our client, and as discussed earlier this week, with this e-mail I am requesting an extension of the submittal date for the report of findings for the field investigation recently conducted at the subject site - from 15 January 2010 to 1 February 2010. I understand from our conversation that this should not be a problem, but please let me know if there are any issues with this revised date.

Thank you

Jill Quillin
