Dear Ms. Hazzard and Ms. Campbell,

Thank you for the information regarding your property. An additional Unauthorized Release Form from you is not necessary since Atlantic Richfield Company (ARCO) has already submitted the form. We look forward to ARCO's work plan submittal.

Dear Mr. Khatri,

This letter is to inform you that we have been contacted by Atlantic Richfield Co. regarding Fuel Leak Case # RO0002982 at our property at 6415 International Blvd. They informed us that they would be performing the required investigation, borings and monitoring at the property resulting from the tanks that they installed at the property. They also informed us they would be sending the technical work plan and have already submitted an Underground Storage Tank Unauthorized Release form required in this matter. We have granted BP an Access Agreement to perform this work. Please advise whether we are still required to submit another Underground Storage Tank Unauthorized

Release Form. Our contact at BP is Mr. Paul Supple, Environmental Business Manager, Atlantic Richfield Corporation. He can be reached at (925) 275-3801.

Please advise if there is any further action required on our behalf as the co-owners of this property. Thank you in advance for your response.

Sincerely,

Jaleesa Hazzard and Tracey Campbell
