| COMMENTS   | 1/29/2009 letter from local implementing agency (ACEHS) identified Atlantic Richfield Company as one of six parties allegedly responsible for soil and ground-water contamination discovered by Geocon Consultants (Livermore, CA) during a Phase II environmental investigation (report date 5/7/2008) conducted at the Site in April 2008. The 1/29/2009 letter from ACEHS to Atlantic Richfield Company and others requested submittal of an Unauthorized Release Form on or before 3/2/2009, to which we are complying.   |  |  |   |                         |  |
