Dear Mr. Rees,

I apologize for the multiple mailings you recently received. The fact sheets were sent by the Responsible Party using their own mailing list, as part of the public notification requirement for site clean-ups and site closures.

Once again, I apologize for any inconvenience this may have caused.

Sincerely,

Subject: Duplicate Mailings

Yesterday I received THREE mailings from you; one addressed to me and two addressed to "current resident".

This is the second time this has happened and I want it stopped!

Please remove the

"current resident" addresses from your data base; I own the property and will be the only occupant for, I hope, many years.
