Jerry,

Per our January 11, 2011 telephone call, CRA requests an extension of the due date for a subsurface investigation report requested in ACEH's October 14, 2010 letter from February 18, 2011 to June 18, 2011 due to access issues. We anticipate submitting an addendum to Delta Consultants September 10, 2010 *Additional Site Assessment Work Plan* proposing revised boring locations.
