Dear Mr. Wickham,

As requested in your letter dated December 17, 2009 pertaining to the site located at 316 38<sup>th</sup> Street, Oakland, CA, SOMA had "claimed" the site and uploaded the "Revised Workplan for Additional Soil and Groundwater Investigation" and historical "Underground Storage Tank Closure" reports and relevant boring logs to Geotracker; confirmation forms are attached to this email. We hope that this brings this site into compliance with your directives. Please do not hesitate to call us if you have any questions or concerns.
