Dear Mr. Wickham,

You have requested that a work plan revision for further characterization of contamination associated with USTs under the sidewalk adjacent to the Thompson property be submitted on November 10, 2009. We had submitted our revisions for review to Executor for the Estate of Earl Thompson, Sr., and were notified that they require more time for evaluation, therefore we would like to request a 1-week extension to permit appropriate review by Mr. Thompson.

Please do not hesitate to call me should you have any questions or concerns.

Sincerely,

Elena K. Manzo
