Subject: Request for an extension, RO#2996

Hi Jerry:

Tomorrow is deadline for submittal of the investigation report for the subject site. The draft report has been submitted to Archer.Norris for review, however, they won't be able to review it by tomorrow. As such, I would like to request a three-week extension for our report submittal. As such, we request to submit the report on or before October 20, 2011. Thank you very much for your cooperation in this matter.
