Dear Jerry,

We had submitted our workplan for review to the lawyers for above site, but have not received their comments yet. At this time, they are requesting a little more time for their review, and therefore we were hoping to request a one to two week extension for the submittal of our workplan to you. Thank you very much for your time and consideration in connection with this project. Please do not hesitate to call me if you have any questions or concerns.

Sincerely,
