Dear Mr. Chiu:

**NOTICE OF VIOLATION**

Our office sent you an October 21, 2009 Notice to Comply requiring that you submit documentation for the proper disposal of two five (5) gallon containers found near and within a dumpster at the referenced property. One container appeared to contain a solvent based stain and the other material from an on-going site remediation or investigation. You were requested to submit disposal documentation within 30 days of that letter, ie November 21, 2009. To date, our office has not received the requested information. You are requested to submit disposal documentation to our office within 30 days of this letter, no later than April 30, 2010. Failure to submit the requested information shall result in either a fee-based re-inspection and/or enforcement. This information should be sent to the undersigned.

If you have already provided the requested evidence or have additional questions regarding your inspection or compliance requirement, please contact me at 510-567-6765.
