I've returned. Here's the RP info:

Terradev Jefferson, LLC
PO Box 530
Alameda, CA 94501
Contact: Sara May

There are no other environmental reports other than the ones I uploaded.

I will complete and upload the URF.

Many thanks for all your help.

Markus

Hi Markus,

Can you e-mail me the RPs contact info including company name, contact name, address, phone # & e-mail.

Also, are there any other reports or environmental data that exist for this site that have not been submitted. If so please upload to our ftp site.

Case # RO3001, caseworker Jerry Wickham

I also need a URF completed & uploaded.

I will follow-up with Leroy also.

Mr. Griffin:

Attached please find a copy of the request for agency review I believe we spoke about several weeks ago. This transmittal contains the original tank closure report as an attachment and a presumptive description of a technical study that may be required (in the event you find the site not immediately warranting closure).

If your review finds the file closure-ready, please let me know. If you find that additional study is warranted, could you let the ACEH know by the customary channel?

My thanks.
