Susan,

I can't provide an estimate of case closure. You should use the consultants estimate.

Regards,
Jerry Wickham
Alameda County Environmental Health

Subject: Information Concerning Terradev Jefferson LLC Site - 645 Fourth Street, Oakland, CA

Jerry:

I am working on an environmental assessment for this property and the bank is wondering whether a projected estimate of site closure in August 2013 is feasible for this project. This is the approximate timeline the current consultants have provided. If you would let me know or give me a call today, I would greatly appreciate it.

Thank you,

Susan Chase
