Hello Ms. May,

I'm following up after my phone conversation today with Brian Gwinn. To help ACDEH move forward with the case, please submit to us as soon as possible a figure of the site that is overlain by the corresponding assessor's parcel map. Also, include a table with each address at the site, the corresponding the parcel number, occupant, and occupant's use. We appreciate your cooperation in getting this document to us in a timely manner. Thank you.
