RE: SITE LOCATION: CITY OF PLEASANTON FIREHOUSE ARTS CENTER PARKING AREA,
CORNER OF WEST NEAL STREET AND RAILROAD AVENUE, PLEASANTON, CA 94566

SLIC CASE #R0003002 AND GEO-TRACKER GLOBAL ID # T10000001164

Dear Jerry:

As per our earlier discussions, we have completed work on the former transportation corridor located to the North and South of Spring Street, here in Pleasanton. Some minor punch-list work will continue, however the substantial completion of the work on the stockpile site completed on October 15th 2010. I am attaching pictures showing the mulch and hydro-seed mixture that was placed over the stockpile area as the drawings indicated. The good news is that as of today, there is visible growth on the hydro-seeded area.

Thank you for your input on this site. If you have any questions or need any additional information, please feel free to either contact me at 925-931-5684.

Best regards,

James W. Gotcher, Construction Manager
