Hi Herma:

I have been assigned as the primary case worker for your site and am currently reviewing the case file to assess the status of the case. Once I complete my review I will respond with the next steps required to bring the case to closure.

Regards,

Hi Donna,

Following up on my voicemail last week to resolve the status on the above case. As noted in my voicemail and earlier emails this has been open without response from the County since 2009 and is now effecting property sales in the surrounding area.

Please let me know what we can do to close out this issue.
