Subject: Spills, Leaks, Investigations and Cleanup (SLIC) case file #RO0003010, Alameda Federal Center Building,
620 Central Avenue, Alameda, CA 94501

Dear Ms. Coolye:

The above-referenced site is a Spills, Leaks, Investigations, and Cleanup (SLIC) case due to the presence of soil and groundwater contamination on the property. Alameda County Environmental Health is the agency providing regulatory oversight for this case. ACEH requires an additional deposit to an oversight account in order to continue the regulatory review process. Please send a check in the amount of \$6,000.00 payable to Alameda County Environmental Health. Please send your check to the attention of our Finance Department.

This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$173.00 per hour.

Please write "SLIC" (the type of project), the site address, and the AR number on your check.

If you have any questions, please contact Steven Plunkett at (510) 383-1767.

Sincerely,

A handwritten signature in black ink, appearing to read "Ariu Levi".
