Barb:
Jimmy's email address is: jimmykoo9@yahoo.com

Jimmy mentioned to me that he is required to replace the dry cleaning machines at his cleaners by the end of June 2010. He was hoping to complete the soil and groundwater investigation in May 2010 so that in the event he will need to do remedial activities he can do it when he replaces the machines.

I will review it within 60 days from the date of our receipt. I will try to review it sooner. In the meantime, do I have Jimmy Koo's email address? Can you send it so I can e-mail the letter to him?

Thank you,

Barb

Barb:

Just checking in with you regarding the work plan that was submitted for Sunny Piedmont Cleaners. Did you get a chance to review the work plan? Our client would like to begin the investigation activities as soon as possible. Thanks for your help.
