Hi Avery and Susan:

I just received notice that the files you uploaded to the ftp site last week are available for me to review. I will take a look at your case tomorrow and try to get a sense of how long my file review will take and will get back to you by the end of the week with an update.

Hi Dilan –

I don't mean to be a pest, but do you have any thoughts as to when you might be done with your review of the Crown files? My understanding was that we'd be able to start scheduling a meeting at that point, so that time frame would be really helpful for me to be able to pass on.

The team is trying determine dates that the various parties (Crown, potential buyer, attorneys) are available, so if I could just come up with a general time frame (or a "not before XX date"), that would help streamline the process a little.

Also, just wanted to confirm that you now have everything you need.

Thanks!
Avery
