Hi Laura: Do you mean closing the UST that is currently in active use at the Alameda PD? No, ACEH is not requesting closure of the active UST at the site.

Thank you, Karel. This was exactly my question. Not to be redundant, but would you mind confirming whether ACEH is requesting closure of the active UST on the site?

Hi Laura: I received your voice mail and I assume you are referring to the second to the last sentence in the second paragraph of our 6/30/11 letter addressed to Matt Naclerio, where we say "In order to evaluate your site and progress to case closure..." Yes, that refers to closing the fuel leak site out of ACEH's files, so it moves from the "Active cases" to the "Closed Cases".

Please call or e-mail me with any other questions.

Thanks,
