Hi Jesse: Sorry for my continued confusion – Jesse called me this morning regarding the question below, not Matt and then I left Matt a voice mail, not Jesse.

Hi Matt: I was thinking of another site this morning when you called and asked me if the City needed to submit a work plan to define the extent of soil and groundwater contamination; yes, please have a qualified environmental consultant prepare a work plan as per our June 30, 2011 letter. I apologize for the mix-up.

Thank you,
