Subject: 4280 Hacienda Drive Pleasanton Large Diameter Borehole Drilling Schedule

Hi Jerry,

We are setting up to drill the large diameter borehole in the elevator pit at 4280 Hacienda Drive in Pleasanton on Monday 6/20/11, and will be drilling the large diameter borehole on Tuesday 6/21/11 and Wednesday 6/22/11 per our work plan. We will also be grouting the temporary boreholes B2 through B5 on Wednesday 6/22/11 with the approval and possible presence of a Zone 7 Water District inspector.

Upon completion of the large diameter borehole drilling we will be able to complete our investigation report for B2 through B5 and our documentation of the large diameter borehole drilling.

Paul
