Called Jeff Bensch, Sierra West Consultants, Inc., inquiring if he had any background documentation indicating the former owner/operator of the gas station prior to Frank & Mary Wright's ownership; he mentioned he'd submitted some faded UST permits signed by Frank Wright; he thought these permits were submitted with the OFD tank pull permit earlier this year; I said I'd look, but if I couldn't find it, he could send it. I couldn't find the permits, so he sent them to me as PDFs.
