Marcia,

The Revised Work Plan, dated August 20 and received by our office on August 29, 2012 is in the process of being reviewed, however more time is required to complete our review. I anticipate the review will be completed within 60 days of its reception.

Respectfully,
Keith Nowell

Hello Mr. Nowell,

I don't know if you remember me but I am one of the owners (or former owner) of the property named in this case number. We haven't spoken in a while and I wanted to let you know we sold the property but promised the new owners that we would be following through with the county regarding the resolution of this case.

I was wondering if you could give me any update on the progress as we would like to be able to give the current owners an update and possible resolution to this soon so everyone can put this behind them. ☺

Thanks for whatever you can do!

Marcia,

This case was recently assigned to me. I will review the case file in the near future and write a directive letter. Are you to be the case contact for future correspondence?

Respectfully,

Keith Nowell
