Subject: FW: RO3084: ACCEPTED DOCUMENT ON FTP SITE Subsurface Investigation, 601 Webster St. Oakland

Hi Keith,

According to my records we uploaded the workplan for the Subsurface Investigation at The Salvation Army located at 601 Webster St. Oakland on August 20.

While our client clearly would like to expedite the resolution of this situation, we have practiced restraint and have been respectful of your agency's self-imposed 60 day review period for uploads to your website.

However, now that that timeframe is nearly complete, can we expect a response from your agency soon?

Thanks!

Michael D. Sonke
