Dear Mr. Phillips,

On July 31, 2014, Alameda County Environmental Health (ACEH) approved an extension request to August 14, 2014 for submittal of a site characterization work plan. ACEH has yet to receive a work plan for site characterization.

Therefore at this junction, please upload the overdue technical report to the ACEH ftp site (Attention: Keith Nowell), and to the State Water Resources Control Board's Geotracker website, in accordance with the following specified file naming convention and schedule:

- **October 29, 2014- Soil and Groundwater Investigation Work Plan** (file name: RO0003084\_WP\_R\_yyyy-mm-dd)

A copy of the Responsible Party(ies) Legal Requirements/Obligations is provided as an attachment.

Thank you for your cooperation. ACEH looks forward to working with you and your consultants to advance the case toward closure. Should you have any questions regarding this correspondence or your case, please call me at (510) 567-6764 or send an electronic mail message at [keith.nowell@acgov.org](mailto:keith.nowell@acgov.org).
