**Subject:** RO3090, Cal Trans Telegraph Ave.  
**Entry Type:** Phone call

**Start:** Mon 3/19/2012 10:00 AM  
**End:** Mon 3/19/2012 10:10 AM  
**Duration:** 10 minutes

John Love, Consultant for Cal Trans calls to ask about NOR. He says the report he submitted on behalf of Caltrans requested closure and wants to petition for closure. I tell him that I have yet to deny closure but I am planning on sending a letter out soon asking for additional work to define the extent of the plume especially since Temescal Creek is located near that location. He says he will send in an official request for closure so he can petition the case.
