Subject: RO# 3094 - PG&E 997 Grant Avenue - Start of Excavation Notification

Jerry:

As we discussed this morning, assuming no issues are received during the remainder of the public comment period that would cause a delay, we are scheduled to start the limited soil excavation on Friday, August 17 at 7:00 am. If you have any questions or need more information before then, please contact me at the numbers below.

Thank you,
