Ms. Roe,

Is there a separate agenda form? I am not sure if it was attached.

Hi Daniel:

Jerry Wickham will be contacting you and sending the request for an initial deposit to provide regulatory oversight for the case. Your case worker will be Mark Detterman, however until the paperwork is final I will remain your primary point of contact.

As discussed on the phone, Alameda County Environmental Health would like to invite you to a meeting at our office in order to discuss the site and expedite site investigation. I have attached an example of the tabular site conceptual model (SCM) that we would like filled out to the support proposed scope of work. I have also attached an agenda form (attached) for the meeting.

Please forward this email to the responsible parties and copy me so that I have their email addresses.

I look forward to meeting you and discussing the project.

Dilan Roe, P.E.
