Dear Mr. Brooks:

The referenced site is a SCP case due to the presence of soil and groundwater contamination at the property. Alameda County Environmental Health (ACEH) is the agency providing regulatory oversight for this case. In order for ACEH to complete the regulatory review and closure process, ACEH requires a deposit to an oversight account. It has been a substantial period of time since the previous request, and substantial investigatory actions have occurred at the subject site, requiring multiple reviews. At present there is approximately \$6,000 in unrecovered expenditures that have accumulated at the site. Consequently please send a check in the amount of \$12,000.00 payable to ACEH. Please send your check to the attention of our Finance Department; copied below.

This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$204.00 per hour.

Please write "SCP" (the type of project), the site address, and the number AR338416 on your check.

Should you have any questions, please contact me at (510) 567-6876 or send me an electronic mail message at mark.detterman@acgov.org.

Sincerely,

Mark E. Detterman, P.G., C.E.G.
