Daniel,

Thanks for the reminder. ACDEH did not receive comments during the period, and you are free to implement the SVE system. I will send a formal letter for the record, with reporting milestones shortly, but you can use this email as approval to move forward.

Good Morning Mark,

It appears that the comment period for the Swiss Valley Cleaners Corrective Plan is complete. Please advise if there were any comments and if we are ok to move forward with installation and operation of the proposed SVE system.

Regards,

Daniel Villanueva
