Subject: SLIC Case No. RO0003131 and GeoTracker Global ID T10000005547, The Green, 5411 Martinelli Way, Dublin, CA 94568

Dear Mr. Parker:

Alameda County Environmental Health (ACEH) has opened a Spills, Leaks, Investigations, and Cleanup (SLIC) case for the above referenced site in order to review the proposed development of the site. Funds for regulatory oversight in the SLIC Program are provided directly by the property owner or other responsible parties. Therefore, we are requesting the submittal of a check made payable to Alameda County Environmental Health in the amount of \$6,000.00 as a deposit for regulatory oversight. Please send your check to the attention of our Finance Department. This deposit may or may not be sufficient to provide all necessary regulatory oversight. Funds received by ACEH for SLIC cases such as yours, are held in a deposit/refund account. The deposit/refund account is charged on an hourly basis as case work is performed. If these funds are insufficient, an additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$204.00 per hour. Please write "SLIC" (the type of project), case number "RO0003131", and the site address on your check.

If you have any questions, please call me at (510) 567-6721 or send me an electronic mail message at donna.drogos@acgov.org. Case files can be reviewed online at the following website: <http://www.acgov.org/aceh/index.htm>. If your email address does not appear on the cover page of this notification ACEH is requesting you provide your email address so that we can correspond with you quickly and efficiently regarding your case.

Sincerely,
