Hello Donna,

Thank you for returning my call about the above-referenced property. Per our discussion attached is a copy of the Phase I ESA and the limited Phase II investigation conducted at the property.

Please let me know your thoughts after you've reviewed both documents. My client would like to proceed to the next step as soon as possible. I had lined up a Phase III investigation but I felt it best to coordinate with you before proceeding so we can both be on the same page.

Thank you and have a good weekend!

P.S. E-mail 1 includes the text of the Phase I ESA (PART 1) and the Phase II report. E-mail 2 will include the attachments to the Phase I ESA (PART 2).
