Andy,

We will send the cost recovery letter to Jim Fitzpatrick tomorrow. The current owner, 6800 Overlake Place LLC, will also receive all correspondence for the site. I will add you, Nicole Persaud, and Tom Graf as cc's to all correspondence.

With regards to databases, you will need to upload all technical documents to the ACEH ftp site. I have attached instructions for that. Technical reports are also required to be uploaded to GeoTracker. At a later date, you will need to claim the case on GeoTracker to upload documents.

Hi Jerry,

Public Storage will hold title to this property under the name of:

Public Storage Northern California Newark, Inc. (a Delaware Corporation)

The person who will sign documents is:
David Doll, President of Real Estate
701 Western Avenue,
Glendale, Ca. 91201

My actual contact for the project is Jim Fitzpatrick. He is at the same address and his phone number is

(818) 244-8080, ext. 1476

Please feel free to run correspondence through me still if that is more convenient, at least for anything that can be done electronically.

We will probably need to set up an electronic database account for this site too right? Nicole is my Project Manager and can be contacted on any of this work too. Tom Graff is the seller's consultant and is also assisting us with this.

Thanks

Andy
