Phone call with Tamra Rubin who owns the property at 627 22nd Street which is immediately adjacent to the Cathedral Gardens site at 638 21st Street. She indicated that she had forwarded the public notice to the tenant at her property. The tenant had some complaints regarding odors or fumes from the Cathedral Gardens construction site. She indicated that the Invitation to Comment was the first notification she received regarding the fuel leak case. I provided some background on the fuel leak case.
