Subject: Delong Oil Report

Hello Mark:

I wanted to let you know SGS Accutest Laboratory is running late with the Delong Oil soil and groundwater sample results for the latest investigation. They are supposed to have the report ready tomorrow (10/31). I'll probably have the report ready to upload to the County ftp site on November 1st. I believe the deadline extension for the report is the 31st.

Thanks,

Gary Mulkey
