Stuart,

As soon as we get the referral letter from DTSC, we can move forward with opening the case and sending out a request for regulatory oversight funds.

Regards,

Hi Jerry,

Here is a copy of an I sent email sent to Jose Salcedo of the DTSC regarding the Batarse property. Jose is the current Supervisor on this case. Jose told me that he would be sending a letter to ACEHD next week, referring the case back to the County. We are currently preparing our submittal and will open the case with you as soon as you give us the go-ahead. Thank you, Jerry. We await your lead.

Respectfully, Stuart

Hi Jose,

I wanted to thank you for taking time to discuss the Batarse Oakland property case with me today. Jerry Wickham of Alameda County Environmental Health is working with us on this project. Dilan Roe is also very familiar with it. We very much appreciate your help. Contact me for anything you might need.

Respectfully, Stuart
