Subject: Notification of Project RO0003115 Start-up

Hi Mark.

Thank you for your February 9, 2015 (revised) letter concerning the subject project. We would like to start the preliminary site preparation for this project next Wednesday, February 18th. The work Wednesday will consist of:

- Dismantling of the wall within 1424 105th to permit equipment access.
- Saw cutting of concrete and asphalt at each area of excavation.
- Mobilization of temporary fencing and trench plating to the site.
- Preparation of soil stockpile area.

Please feel free to call me at any time. I will be managing and coordinating details of the construction project personally. Thank you.

Respectfully, Stuart

Phase-1 Environmental Services
