Dear Mr. Akins:

In response to your request, Alameda County Environmental Health (ACEH) has opened a Voluntary Cleanup Program (VCP) case to provide regulatory oversight for the above referenced site. The purpose of the case is to evaluate potential human health and environmental risks from a diesel fuel from a truck accident in Sunol, CA.

Funds for regulatory oversight in the VCP Program are provided directly by the property owner or other responsible parties. On February 18, 2015, ACEH sent out a request for funds for the above referenced VCP case (see attached correspondence). To date, we have not received funds to begin oversight of the case. Please submit the funds following the instructions on the attached correspondence no later than April 30, 2015. If we do not hear from you, we will forward the case to the San Francisco Bay Regional Water Quality Control Board or California Department of Toxic Substances Control for enforcement action.

Subject: New Voluntary Cleanup Program Case No. RO0003158, Walgreens Sunol, 9494 Koopman Road, Sunol, CA 94586

Dear Mr. Akins:

In response to your request, Alameda County Environmental Health (ACEH) has opened a Voluntary Cleanup Program (VCP) case to provide regulatory oversight for the above referenced site. The purpose of the case is to evaluate potential human health and environmental risks from a diesel fuel release from a truck accident in Sunol, CA.

Funds for regulatory oversight in the VCP Program are provided directly by the property owner or other responsible parties. Therefore, we are requesting the submittal of a check made payable to Alameda County Environmental Health in the amount of \$6,000.00 as a deposit for regulatory oversight. Please send your check to the attention of our Finance Department. This deposit may or may not be sufficient to provide all necessary regulatory oversight. Funds received by ACEH for VCP cases such as yours, are held in a deposit/refund account. The deposit/refund account is charged on an hourly basis as case work is performed. If these funds are insufficient, an additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$204.00 per hour. Please write "VCP" (the type of project), case number "RO0003158", account number "AR0344576", and the site address on your check.

Upon receipt of the deposit, a case worker will be assigned. Case files can be reviewed online at the following website: <http://www.acgov.org/aceh/index.htm>.

Sincerely,

Jerry Wickham, California PG 3766, CEG 1177, and CHG 297
