Subject: Funds Request for Voluntary Remedial Action Program Case No. RO0003160, Precision Cast Products, 1549 32nd Street and 2868 Hannah Street, Oakland, CA 94608

Dear Mr. Protopapas:

Our records indicate that the current balance on the above-referenced Voluntary Remedial Action Program oversight account is negative \$1,307.40. In order to continue regulatory oversight of this case, we are requesting the submittal of a check made payable to Alameda County Environmental Health in the amount of \$3,000.00. Please send your check to the attention of our Finance Department.

This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, an additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee. This deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$174.00 per hour. Please write "VRAP" (the type of project), RO0003160, the site address, and account ID AR#0344666 on your check.

I will be retiring from ACEH on January 22, 2016 and Ms. Dilan Roe will be the case worker responsible for this case after January 22, 2016. Therefore, if you have any questions in the future regarding this case, please call Dilan Roe (510) 567-6767 or send her an electronic mail message at dilan.roe@acgov.org.

Sincerely,

Jerry Wickham, California PG 3766, CEG 1177, and CHG 297
Senior Hazardous Materials Specialist
