Bill,

All of the information packages and access requests have been delivered and signed for.

2851 Helen: 4/10/09

2859 Helen: 4/25/09

2863 Helen: 5/23/09

We also have signed access agreement for 2863 Helen. Tracy Craig, who obtained the access agreement, and has inspected the yard says there is no way we can get back there with tearing down a section fence, and damaging the owner's garden. She suggests we ask ACEH if they will accept hand auger results for this site due to access issues.
