---

I received the letter from the city that notified the state of our environmental issues and was referred to Jerry Wickham of Alameda County Environmental Health for his recommendations and his help in applying to the state fund to offset our costs of remediation. Please send the phase 1 assessment & limited Soil & Groundwater investigation to Jerry by email : [jerry.wickham@acgov.org](mailto:jerry.wickham@acgov.org) ASAP.

Jerry's address is 1131 Harbor Bay Parkway, Alameda CA 94502. Please copy me when you send the email.

If you have any questions my number is below.

Respectfully,

Dave and Andrew: can you please provide me with the contact name and phone number for the individual at the City of Oakland. The ownership would like to be proactive and get involved with the process in efforts to push this along. Please advise. Thank you.

Here is the Regulatory Technical Assistance proposal for that Property. At your earliest convenience please sign and return just the signature page via fax or email.

**In an attempt to stay competitive we would appreciate the opportunity to meet or beat any other proposal, including turnaround time, you may receive on the Property.**

Thank you very much and we look forward to working with you.

I've missed more than 9,000 shots in my career. I've lost almost 300 games. Twenty-six times, I've been trusted to take the game-winning shot and missed. I've failed over and over and over again in my life. And that is why I succeed."
