Subject: Site Cleanup Program Case No. RO0003168, Cross Alameda Trail, Ralph Appezato Memorial Parkway, Alameda, CA 94501

Dear Mr. Ahmed:

Alameda County Department of Environmental Health (ACDEH) staff has reviewed the case file for the above-referenced site, including the "Draft Soil Remediation Workplan for the Cross Alameda Trail" (Draft RAP), dated April 14, 2017, that was prepared by Tetra Tech Inc. (Tetra Tech) on behalf of the City of Alameda. The 30 day public participation period has ended and ACDEH did not receive any comments on the Draft RAP. Therefore, at this juncture please implement the corrective actions presented in the draft RAP and submit a remedial action completion report to document compliance with the approved plan.

If you have any questions, please call me at (510) 567-6767 or send me an electronic mail message at dilan.roe@acgov.org. Online case files are available for review at the following website: <http://www.acgov.org/aceh/index.htm>

Sincerely,

Dilan Roe
