Dear Mr. Mulligan,

I am the Alameda County Environmental Health (ACEH) caseworker assigned to the case of the reported release of diesel fuel at 1408 Middle Harbor Road, Oakland. Please provide me with an update of the activities associated with the release, preferably by email. Upload any existing documents related to the release and any remedial actions undertaken at the site.

I have included an attachment outlining the upload requirements and procedures to the ACEH ftp website and to the State Water Resources Control Board's (SWRCBs) GeoTracker website.

Thank you for your cooperation. ACEH looks forward to working with you and your consultants to advance the case toward closure. Should you have any questions regarding this correspondence or your case, please call me at (510) 567-6764 or send an electronic mail message at [keith.nowell@acgov.org](mailto:keith.nowell@acgov.org).

Respectfully,  
Keith Nowell
