I think it's at the back of the pdf. The townhomes should be a searchable pdf.

Hi Carl,  
Got the plans from the links to your ftp site. – Thanks.

I found the plan details you mention below. Do you know where the details are on the other plan set (townhomes)? I can't word search them, so would need to look page by page!

As requested, the State Street Podium Building A Plans Permit Set\_2016-08-31 has been uploaded to the ftp site.

Mark – to help you and Dilan find the elevator pit vapor mitigation part of these plans please see:

**Sheet AD-40, Detail 11, Elev. Pit Waterproofing**, it shows Geo-Seal on the detail. It also has a note that says: Install Below Grade W.P. per MFR's Recommendations – See Spec.

And on **Sheet S4.01, Detail 19, Elevator Pit Detail and Detail 17, Elevator Pit Detail**, both have notes that say: At Building "A" provide vapor barrier at elevator pit in accordance w/ vapor mitigation system basis of design report by PES.

Thank you,  
Carl
