Hi Jerry. I hope all is well with you. I wanted to ask if we could submit our Site Investigation Report for the above referenced case (585 22nd Street, Oakland, CA) on or before February 17, 2016. The Work Plan approval letter requests the report on or before the 10th and we are in need of a few additional days to get everything reviewed by the RP and finalized. Please let me know if this request is acceptable or not.

Thanks.

Best Regards,

Dan
