Oscar,

I have completed a review of your work plan, and my response is out for review. I have reviewed the list of documents provided to Alameda County Environmental Health (ACEH) by Eric Kirkegaard. ACEH understands the list contains documents in your possession pertaining to the former fuel leak case at the site. Please provide ACEH a copy of the following reports as a .pdf file. In order to avoid the rejection process due to the lack of a perjury statement, ACEH requests the files be provided as an email attachment to my attention (Attn: Keith Nowell).

Harding Lawson Associates, Quarterly Summary Report, Second Quarter, 1994;

Environmental Resolutions, Inc., October 14, 1996, Product Line Replacement;

Terra Vac Corporation, October 17, 1996, Well Abandonment Report.

Thank you for your cooperation.

Regards,
Keith Nowell

Hi Keith,

Attached is the historical report list from the Site Closure Summary. Oscar has hard copies of the highlighted reports - is it possible for ACEH to scan the documents into PDF for upload, or will Oscar need to take care of that? Would you like to see all of the highlighted reports converted to PDF for upload?

Thanks,

Hi Erick,

The ones with the x are so far the documents I was able to sift through. What do you want me to do? Thanks.
