Dear Mr. Hernon,

I have prepared this notification to inform you that Alameda County Environmental Health (ACEH) has received two copies of the document entitled *Transmittal of Site Documents* prepared by Applied Remedial Systems Inc. (ARSI) and dated February 28, 2016. The document consists of several data tables and figures prepared for the subject case. ACEH will send out an electronic invitation for a meeting to discuss the delivered documents and case status.

Additionally, a box of chocolates was delivered with the documents. As we cannot accept outside gifts, the box was placed in a common area in our building for the enjoyment of all.

Regards,
Keith Nowell
